

## Polipasto Cadena 0.5 Ton 6 metros con Proteccion de Sobrecarga y cadena G100

### Características Esenciales

- 3 Años de Garantía, Servicio y Atención al Cliente en Chile

### Prowinch Manual Chain Hoist

All of our **Manual Chain Hoists** are created with the goal of offering the best price-performance ratio. Key components such as lifespan factors are constantly tested and improved in order to offer the best product for the price.

### Overload Protection System

The built-in **overload protection system** helps prevent the operator from accidentally damaging the hoist by lifting a load higher than the rated capacity. When the overload protection is activated while lifting, the hoist will only be able to be lowered by the operator.

### Braking System

The reliable disc brake system is tested at 125% of the hoist capacity.
